WORK EXPERIENCE

The Boeing Company
Estimating and Pricing Analyst Intern
June 2022 - August 2022
During Boeing's ten-week Summer 2022 Business Internship Program (BBIP) - Finance, interacted directly with company leaders to discuss finance, strategy, and the future of Boeing. The Boeing Defense, Space & Security (BDS) P-8A Estimating and Pricing team has helped me apply my education to meaningful projects while developing skills in financial acumen, data analytics, financial modeling, emotional intelligence, and problem-solving.

UCSB Men's Soccer Office
Marketing and Public Relations Intern
October 2021 - June 2022
Assisted the Marketing and Public Relations Coordinator in supervising community outreach programs, developing and implementing marketing plans, and increasing support and attendance for Men's Soccer games. Worked with the Men's Soccer team's Associate Head Coach in designing and photographing new material for the team's official recruiting website.

PROJECTS

The Boeing Company
PBOM Transmittal Memo Format
Worked alongside Kevin C. (KC) Callahan and Van Ho, from Boeing's BDS P-8A Estimating and Pricing team, in streamlining Material Estimate documentation by eliminating redundancies in the process.

UCSB Men's Soccer Office
Gaucho Recruiting Zone
Worked alongside Greg Wilson, Associate Head Coach of the UCSB Men's Soccer team, in designing and photographing new material to create the UCSB Men's Soccer team's new official recruiting website for prospective student-athletes to access. Renamed the site to 'Gaucho Recruiting Zone'.
